

Der Spaß daran, MN-Foren zu hacken...

Beitrag von „Loc Fethyr“ vom 4. August 2006, 12:05

Mhm, habe mit ihm gesprochen - also mit dem Hacker.

Zitat

ok guy. you know what - i like you =o] so make the admins writing me an email with the promise they will change their passphrases to something secure and i will give u your microthing back i deleted nuthin!

Lol^^....
