

Reale MN

Beitrag von „Kaetyr Veuxin II.“ vom 26. April 2009, 20:16

Was reale MNs betrifft...hier eine skurrile Zuschrift, die ich mal per Mail bekommen habe. Da hat wohl jemand Drachenstein für etwas zu echt empfunden... Ich hab ihm dann zurückgeschrieben, dass es Veuxin II. von Drachenstein nicht wirklich gibt. 😊 Aber schön. Ungewollt ist damit Drachenstein in die Liga Sealand gerutscht. 😄

Royal Court,
Arkaedia

Your Excelency,

This message is a first contact regarding diplomatic relations between our two great nations.

I am quite pleased to announce that Arkaedia has been founded and it has declare independence. We are now in the stage of formalising diplomatic relations all world states, including other micronations.

We recognize your state and we seek mutual recognition.

An exchange of letters is the natural next step in the diplomatic process. Please contact me at your earliest convenience so we can conclude the diplomatic procedures.

Respectfully,

Prince Cristian I of Arkaedia
